Drawer Units

Camberwell furniture units are supplied fully assembled and ready to install. Designed as a double-drawer option with radius edged drawer fronts creating a softer more stylish appearance. The units are produced from recycled materials with all wood materials PEFC compliant and feature PU bonded edges for greater resistance against humid conditions.

Camberwell drawers feature full extension and a smooth pull to open soft-close operation. Drawers come with a choice of handles, 19mm drawer fronts and are calibrated at the factory during the quality checks. 25kg weight capacity and include two-way adjustment. The top drawer has a cut out for waste services and the drawer base includes a lock to prevent accidental jumping off the runners.

Units have a 70kg weight capacity on a solid wall with concealed fittings to enhance the look and feel. The units have a three-way adjustment – up, down and sideways and confirm to BS EN 15939 (strength, durability and load testing).
