clearline®  
BATHS

# Baths

Britton brings you a wide range of bath designs, shapes and sizes to suit your bathroom perfectly. There are 47 models across all the designs, all made in one exclusive high-strength Cleargreen format, with the most popular shapes also available in our more affordable Clearline format.

## Quality

All of our baths utilise high quality materials throughout including:

- Only 5mm LUCITE™ acrylic sheet for the bath moulding, a leading material which is naturally slip-resistant.
- Floor-mounted leg fixings which provide a stable base and are adjustable to cope with uneven floors.
- A strong baseboard made of recycled material which is fully encapsulated into the bath.
- All British and European performance standards when installed in line with our instructions.
- A long guarantee of 10 years for Clearline baths and 10 years for Cleargreen baths.

## Design

We design all our baths to maximise comfort while in use. Our bath rims are designed to be narrower than other producers, to maximise internal space while retaining a smaller footprint.

## Range

We classify our baths into their design styles.

- Single ended baths have the backrest at one end and the taps opposite.
- Double ended baths have a backrest at both ends with the taps in the centre of the long side.
- Showering baths are designed to give a bigger space at the tap end to give freedom of movement whilst showering. These are available in right hand and left hand.
- Unique baths - The Nouveau freestanding and the Saturn back to wall bath, both designed for those wanting a real showstopper in their bathroom.

CLEARLINE

■ 10 ■  
YEARS  
GUARANTEE\*

A single ended bath with a subtle square internal shape for those preferring a more angular look. Available in 5 sizes to suit a variety of bathroom sizes. Some sizes are also available as Clearline.

#### Shower Screens

We offer a range of 5 shower screens you can add to our single, double ended or offset baths so you can pair your chosen bath showering sets. Our showering baths are available with uniquely shaped screens to follow their own specific shape. See page 92 for details.

This offset bath is available in either right or left handed options. The soft curves give this bath a contemporary feel and allows the piece to blend into its surroundings. The 1700mm size is also available in Clearline.

#### Optional Panels

Every bath is available with front and end panels for you to configure your desired bath. We only supply high quality reinforced panels which match the quality of the baths, alternatively baths can be tiled in or panelled with a shower proof boarding.

# Saturn

# Hoxton Collection

Hoxton is an industrial inspired, minimal brassware, showering, accessory and waste range. Each brassware piece has been designed with elegance in mind with a super slim profile and 25mm cartridges. Constructed from solid brass with high quality electro plating and flow straighteners, the brassware is hard-wearing and easy to clean with exceptional smooth operation every time you turn the tap on. Every piece complies with the most rigorous European test standards so you can be assured that your brassware will last a lifetime. Pair with matching accessories and wastes for a consistent aesthetic.

### Colour

Available in three stunning finishes; classical Chrome, stunning Matt Black for a dramatic effect or Brushed Brass for a look that screams sophisticated glamour.
